The Court having reviewed the Plaintiff's Application for Post-Judgment Writ of Garnishment, hereby issues this Post-Judgment Writ of Garnishment.

The United States Securities and Exchange Commission (“SEC”) has information indicating that Garnishee may have possession, custody or control of property in which Defendant has a substantial nonexempt interest. This property may include Defendant's nonexempt disposable earnings (i.e., wages).

Pending further order of this Court, Garnishee is hereby directed to withhold and retain any property in its possession, custody or control in which Defendant has an interest at the time

1 this Writ is served or in which the Defendant may obtain an interest in the future, including  
 2 Defendant's nonexempt disposable earnings. Garnishee is further directed to file a notice with
